CHRISTMAS CRACKERS

Greencity's Christmas Crackers are the ones to watch this year. Read on to see which lines we expect to be weighing down Santa's sleigh in 2020!

GRACE CHOCOLATES

"Chocolates Changing Lives" – so goes the motto at Positive Changes CIC. These truly delicious chocolates are handmade by women who have touched the Scottish criminal justice system; through making Grace Chocolates they receive support, work experience and the opportunity to raise their self-esteem, helping lower barriers faced in finding fulfilling work. Each chocolate is made with the finest ingredients and is filled with a delicious flavour before being enrobed in white, milk or dark chocolate. This Christmas we're really happy to be stocking 4 festive lines from Grace Chocolates – including zesty dark chocolate lemon truffles (suitable for vegans!), classic milk chocolate Christmas pudding truffles, and solid chocolate snowmen.

See page 24 for line details

PROBIOS

Probios gluten free and Organic panettone are for sure a classy Christmas treat. Boxed in white and gold, these cakes are baked in Italy by one of the best panettone makers to a traditional recipe, using the finest ingredients. This Christmas we have chocolate chip as well as original flavours to offer.

See page 12 for line details

FARMHOUSE BISCUITS

Indulge this festive season with this big & beautiful tin of delicious biscuits, a must to be shared with friends and family, or the perfect gift when visiting. The 'Icon' tin contains traditionally baked biscuits in 3 festive flavours. Ginger & Spice, Cranberry, and Fruit & Nut – something to please everyone. Which will be your favourite?

See page 25 for line details

SEED & BEAN

New this year from Organic chocolate specialists Seed & Bean – rich, velvety truffles in two flavours, both based around Fairly Traded Peruvian cocoa. Hazelnut Chocolate Truffles bring nutty smoothness while the darker Flaked Truffles are richly flavoured, dairy free and suitable for vegans. Both make the perfect after dinner indulgence, or a great gift for chocolate lovers, and both are beautifully packaged in recyclable materials.

See page 17 for line details

BOOJA BOOJA

100% organic and free from dairy, palm oil, gluten & soya, Booja Booja are a firm favourite at Greencity for Christmas. As well as stocking their fast-selling chilled lines and beautifully hand-painted 'Artist Collection' gift boxes and giant Gourmet Selection, this year we'll also be stocking new 8 truffle gift boxes – a perfect smaller gift or stocking filler, with an RRP of £4.99 and available in 4 best-selling flavours. As always from Booja Booja, these are completely decadent while using only a handful of simple natural ingredients – the perfect combination!

See pages 11 & 21 for line details

MONTEZUMA'S

Bite-sized buttons of Montezuma's delicious, smooth and creamy milk chocolate and classic, rich dark chocolate. Packaged up in glass jars, these are perfect for those wanting to avoid plastic and embrace re-usable packaging this Christmas. Spread the joy and share them around! But be warned, once this jar is open, they won't last long!

SARAH GRAY'S

The Sarah Gray's range of jams, chutneys and curds come straight from a family kitchen in Angus, all expertly cooked in small batches. Each ingredient is carefully chosen to ensure the best flavour and texture, with many grown by family members within a 5-mile radius of the farm! New this year are perfectly selected trio gift sets – boozy-spiked fruit jams, a marmalade selection, and the chutney set – a ready-to-go cheeseboard companion. Also in collaboration with Sarah Gray's is the McCoos' Gift pack – Raspberry Prosecco Jam, Lemon Curd and Cheese Lovers' Chutney, all wrapped up in colourfully Scottish 'McCoos' artwork by Steven Brown.

See page 25 for line details

SEGGIANO

As usual, Seggiano prioritise taste and nutrition with their phenomenal gift set for chocolate lovers. All three spreads are vegan, Organic and contain a significantly high proportion of hazelnuts, made the slow way by grinding and sieving - no industrial emulsifiers here! Another great gifting option is Seggiano's Oil & Vinegar gift box containing Special Monte Amiata Single Estate Organic oil; delicate and aromatic, with a creamy consistency and an enduringly delicious flavour. Partnered here with their best in class Organic balsamic vinegar; rich with a dark, well-balanced flavour. Its colour, natural sweetness and density distinguish it as a vinegar of authentic quality and provenance.

See page 29 for line details

SPICE POTS

Compact, colourful & easy peasy! Spice Pots Vegan Curry Kit makes it simple to rustle up a tasty vegan curry. Goan, Korma, Tandoori or Bhuna, with all the spices you need contained and beautifully presented in this attractive box. Spice Pots have thought of everything, even including a vegan recipe book to make sure that these carefully-curated blends go to great use! A fantastic gift this Christmas for the vegan in your life.

See page 32 for line details

PUKKA

Instead of the traditional sweets or chocolate for the 24 days of advent, how about a cuppa? Pukka's Days of Christmas advent calendar contains 24 different organic tea bags, one for each day. So many flavours featured to talk about but here's a sneaky peak – Tulsi Clarity bringing you sacred herbs for calm when all is frantic, and Revitalise is the perfect scent of Christmas with Organic cinnamon, ginger and cardamom. Or how about the '3 Wise Herbal Kings' of Three Ginger?! How exciting to open each day for a herbal delight.
